

## **CALL FOR PAPERS**

ICOM-CC 19th Triennial Conference

Beijing, China

14–18 September 2020

**Theme:** Transcending Boundaries: Integrated Approaches to Conservation

ICOM-CC is inviting contributions for its 19th Triennial Conference and Preprints. This two-phase process consists of a call for abstracts, followed by an invitation to submit full papers for publication. A separate call for posters will be issued at a later date.

Instructions relating to the Preprints and information about the conference theme are available on ICOM-CC's dedicated conference website: [www.icom-cc2020.org](http://www.icom-cc2020.org).

The ICOM-CC Triennial Conference presents an overview of the current state of conservation research and practice. Papers addressing the conference theme and/or the aims and programs of the ICOM-CC Working Groups are encouraged. For information about the Working Groups, please consult the ICOM-CC website: [www.icom-cc.org](http://www.icom-cc.org).

Work submitted must be original and must not have been published elsewhere or be under consideration by another publication.

At least one author of each selected paper must participate in the conference to present and discuss the work.

All contributions must be submitted and delivered in English.

Authors must use the abstract template provided on the dedicated conference website and submit the abstract via the website.

### **Key dates:**

18 March 2019: Website available for submission of abstracts

**\*12 April 2019:** Deadline for receipt of abstracts

End July 2019: Selected authors are invited to write a full paper

**\*15 November 2019:** Deadline for receipt of full papers

\*Non-compliance with these deadlines may result in the rejection of contributions.

Invitation to submit a full paper does not guarantee its acceptance. Authors will be informed of the results of the final selection of papers and posters in April 2020.
